CLERK OF THE COURT

AGREEMENT AND EVIDENCE OF TRANSFER OF CLAIM

TO: THE DEBTOR AND THE BANKRUPTCY COURT

1. (A) For value received, the adequacy and sufficiency of which are hereby acknowledged, Seaport Global Securities LLC (the "Seller") hereby unconditionally and irrevocably sells, transfers and assigns to Värde Investment Partners, L.P. (the "Purchaser"), and Purchaser hereby agrees to purchase, as of the date hereof for the purchase price specified in a separate communication by and between Seller and Purchaser dated as of the date hereof (the "Purchase Price"), (a) an undivided 100% interest to the extent relating to Seller's record and beneficial ownership in the securities (each, a "Purchased Security") specified in Schedule 1 attached hereto (each, a "Purchased Claim"), (b) all Seller's right, title and interest in and to Proof of Claim Number 67146 (as such claim number amends the previously filed proofs of claim 33006 and 66383) (the "Proof of Claim") filed by Frank Russell Company ("Original Claimant") against Lehman Brothers Holdings Inc. (the "Debtor") in the proceedings for reorganization of Debtor (the "Proceedings") in the United States Bankruptcy Court for the Southern District of New York (the "Court"), administered under Case No. 08-13555 (SCC) but only to the extent related to each Purchased Claim, (c) all rights and benefits of Seller to the extent relating to each Purchased Claim, including without limitation (i) any right to receive cash, securities, instruments, interest, damages, penalties, fees or other property, which may be paid or distributed with respect to each Purchased Claim or with respect to any of the documents, agreements, bills and/or other documents (whether now existing or hereafter arising) which evidence, create and/or give rise to or affect in any material way each Purchased Claim, whether under a plan of reorganization or liquidation, pursuant to a liquidation, or otherwise, (ii) any actions, claims (including, without limitation, "claims" as defined in Section 101(5) of Title 11 of the United States Code (the "Bankruptcy Code")), rights or lawsuits of any nature whatsoever that Seller may have, whether against the Debtor or any other party, arising out of or in connection with each Purchased Claim, (iii) any rights and benefits arising out of or in connection with any exhibit, attachment and/or supporting documentation relating to each Purchased Claim, and (iv) any and all of Seller's right, title and interest in, to and under the Agreement and Evidence of Transfer of Claim dated November 1, 2010 (the "Prior Agreement") between JPMorgan Chase Bank, N.A. ("JP Morgan") and an affiliate of Farallon Capital Partners, LP, and that certain Agreement and Evidence of Transfer of Claim, dated as of November 1, 2010, by and between Original Claimant, as seller, and JP Morgan (the "Original Agreement") (v) any and all of Seller's right title and interest in, to and under those certain Agreements and Evidences of Transfer of Claims, each dated December 29, 2016 (collectively, the "Immediate Prior Agreement"), listed on Schedule 2 hereto, and (d) any and all proceeds of any of the foregoing to the extent relating to each Purchased Claim (all of the foregoing, collectively, as described in clauses (a), (b), (c) and (d), the "Transferred Claims"). For the avoidance of doubt, Transferred Claims shall exclude the Prior Distributions (as hereinafter defined), and Seller shall retain all right, title and interest thereto. In addition, Purchaser is not assuming any liabilities or obligations of the Seller.

(B) In the event, and to the extent, that after the Closing Date any portion of the Additional Claim Amount (as defined in the Immediate Prior Agreement) becomes an Allowed Claim in a type or class different than the Immediate Claim Amount (the "Recharacterized Claim"), (i) Purchaser shall effect (or shall use commercially reasonable efforts to cause any further direct or indirect transferee or assignee of Purchaser of the Recharacterized Claim (a "Purchaser Transferee") to effect) a transfer of the Recharacterized Claim to the Original Claimant (or, in the alternative, to Seller for further transfer to the Immediate Prior Seller, JP Morgan or Original Claimant), and (ii) in connection therewith shall make (or shall use commercially reasonable efforts to cause any Purchaser Transferee to make) to Seller, and to or for the benefit of the Original Claimant, as "Purchaser" the representations and warranties (with Purchaser (or any such Purchaser Transferee) as "Seller") required by Section 1(B)(2) of the Immediate Prior Agreement. In the event that Purchaser (or any such Purchaser Transferee) shall receive any payments, distributions or proceeds in respect of the Recharacterized Claim, Purchaser shall or shall use commercially reasonable efforts to cause any such Purchaser Transferee, as applicable, to promptly (but in any event no later than three (3) business days) remit to the Original Claimant (or, in the alternative, to Seller for further remittance to the Immediate Prior Seller, JP Morgan or Original Claimant) any payments, distributions or proceeds received by Purchaser or Purchaser Transferee, as applicable, in respect of the Recharacterized Claim. Purchaser agrees (and it shall be a condition of any further transfer to any such Purchaser Transferee that such Purchaser Transferee shall agree) that any further assignment of the Purchased Claims shall contain the provisions of this

Paragraph 1(B), including without limitation a commitment by any such Purchaser Transferee to make the representations and warranties required by Section 1(B)(2) of the Immediate Prior Agreement.

2. Seller hereby represents and warrants to Purchaser that: (a) Seller is duly authorized and empowered to execute and perform its obligations under this Agreement and Evidence of Transfer of Claim ("Agreement"); (b) Seller has not engaged, and will not engage, in any acts, conduct or omissions, or had, has, or will have, any relationship with the Debtor or its affiliates, that will result in Purchaser receiving in respect of the Transferred Claims proportionately less in payments or distributions or less favorable treatment than other claims of the same class or type as claims comprising the Immediate Claim Amount; (c) Seller has provided to Purchaser a true and complete copy of the Immediate Prior Agreement; (d) to the extent it received such title to the Transferred Claims pursuant to the Immediate Prior Agreement, Seller owns and has good and marketable title to the Transferred Claims, free and clear of any and all liens, claims, set-off rights, security interests, participations, or encumbrances created or incurred by Seller or against Seller; (e) assuming the truth and accuracy of the representations and warranties of the Immediate Prior Seller in the Immediate Prior Agreement, the Proof of Claim includes each Purchased Claim specified in Schedule 1 attached hereto; and (f) other than the distributions set forth on Schedule 3 hereto (the "Prior Distributions") and the distribution totaling \$2,195,915.58 ("Eleventh Distribution") and received on or about October 6, 2016, which Eleventh Distribution shall be credited to the Purchase Price, no payment or distribution has been received by or on behalf of Seller in full or partial satisfaction of the Transferred Claims.

3. Seller represents and warrants to Purchaser, and Purchaser, by its acceptance of this Agreement and the payment of the Purchase Price, represents and warrants to Seller, that (i) it is a sophisticated buyer or seller (as the case may be) with respect to the Transferred Claims, (ii) it has, or has access to, such information as it deems appropriate under the circumstances concerning, among other things, the business and financial condition of the Debtor to make an informed decision regarding the Transferred Claims, and (iii) it has independently and without reliance on the other party hereto, and based on such information as it has deemed appropriate, made its own analysis and decision to enter into this Agreement, except that each of Seller and Purchaser has relied upon the express representations and warranties made by the other party hereto in this Paragraph. Each of Seller and Purchaser acknowledges that the other has not given it any investment advice or opinion on whether this Agreement is prudent. Purchaser has not relied, and will not rely, on Seller to furnish or make available any documents or other information regarding the credit, affairs, financial condition or business of the Debtor. Each of Seller and Purchaser acknowledges that (I) the other currently may have, and later may come into possession of, information regarding the Transferred Claims that is not known to it and that may be material to a decision to enter into this Agreement ("Excluded Information"), (ii) it has determined to enter into this Agreement notwithstanding its lack of knowledge of the Excluded Information, and (iii) the other party hereto shall have no liability to it, and it hereby, to the extent permitted by law, waives and releases any claims it may have against the other of Seller and Purchaser, with respect to the nondisclosure of the Excluded Information; provided, however, that each party's Excluded Information shall not and does not affect the truth or accuracy of such party's representations or warranties in this Agreement. Each of Seller and Purchaser further acknowledge that the consideration being paid by Purchaser hereunder may differ both in kind and amount from the amount ultimately distributed with respect to the Purchased Claims pursuant to any plan or reorganization which is confirmed for the Debtor.

4. (A) Seller hereby waives any objection to the transfer of the Transferred Claims to Purchaser on the books and records of the Debtor and the Court, and hereby waives to the fullest extent permitted by law any notice or right to receive notice of a hearing pursuant to Rule 3001(e) of the Federal Rules of Bankruptcy Procedure, the Bankruptcy Code, applicable local bankruptcy rules or applicable law, and consents to the substitution of Seller by Purchaser for all purposes in the case, including, without limitation, for voting and distribution purposes with respect to the Transferred Claims. Seller acknowledges and understands that Purchaser may file a copy of this Agreement with the Court, and hereby stipulates that an order of the Court may be entered without further notice to Seller transferring to Purchaser the Transferred Claims, recognizing Purchaser as the sole owner and holder of the Transferred Claims, and directing the Debtor, the Court and all other interested parties that all further notices relating to the Transferred Claims, and all payments or distributions of money or property in respect of the

Transferred Claims, shall be delivered or made to the Purchaser; provided, however that the Purchaser shall promptly provide notice to the Seller upon entry of such order.

(B) In the event Purchaser or Seller receives notice of an objection, dispute, action, proceeding or litigation, including, without limitation, the filing of or service of a subpoena relating to the Purchased Claims (each, a "Dispute"), Purchaser or Seller, as applicable, shall promptly provide written notice to the other party and to Immediate Prior Seller of the foregoing (the "Dispute Notice"). As provided in the Original Agreement, upon the occurrence of the initial Dispute (the "Initial Dispute"), Original Claimant is authorized to defend against and resolve the initial Dispute (the "Defense Authority"), provided however that upon the earlier to occur of either (i) the one-hundredth (100th) day after the Dispute Notice related to the Initial Dispute (the "Initial Dispute Notice"), (ii) the date on which Original Claimant advises Seller, Immediate Prior Seller or JP Morgan that Original Claimant does not intend to exercise the Defense Authority, or (iii) the date distributions are first made to creditors of the Debtor in the Proceedings holding claims against the Debtor of the same type or class as the Purchased Claims, then, upon Immediate Prior Seller's receipt of written instructions from the Majority Holders (as defined in the Immediate Prior Agreement) electing, in their sole discretion, to terminate the Defense Authority, then Immediate Prior Seller shall promptly thereafter notify Original Claimant that such Defense Authority is so terminated.

5. All representations, warranties, covenants and indemnities shall survive the execution, delivery and performance of this Agreement and the transactions described herein. Purchaser shall be entitled to transfer its rights hereunder without any notice to or the consent of Seiler. Seller hereby agrees to indemnify, defend and hold Purchaser, its successors and assigns and its officers, directors, employees, agents and controlling persons harmless from and against any and all losses, claims, damages, costs, expenses and liabilities, including, without limitation, reasonable attorneys' fees and expenses, which result from Seller's breach of its representations, warranties, covenants and agreements made herein.

6. Seller has transferred, or shall transfer as soon as practicable after the date hereof, to Purchaser each Purchased Security to such account as Purchaser may designate in writing to Seller against payment by Purchaser of the Purchase Price. If Seller is unable to transfer any Purchased Security via the Depository Trust Company or a similar method ("DTC"), upon receipt by Seller of the Purchase Price, Seller shall be deemed to have granted to Purchaser an undivided 100% participation interest in and to such Purchased Security until such time as such Purchased Security can be transferred to Purchaser via DTC. This Agreement supplements and does not supersede any confirmation, any other automatically generated documentation or any applicable rules of the relevant clearing system with respect to the, purchase and sale of each Purchased Security.

7. Each of Seller and Purchaser agrees to (a) execute and deliver, or cause to be executed and delivered, all such other and further agreements, documents and instruments and (b) take or cause to be taken all such other and further actions as the other party may reasonably request to effectuate the intent and purposes, and carry out the terms, of this Agreement, including, without limitation, cooperating to ensure the timely and accurate filing of any amendment to the Proof of Claim. Seller shall promptly (but in any event no later than three (3) business days) remit any payments, distributions, notices or proceeds received by Seller in respect of the Transferred Claims to Purchaser.

8. Seller's and Purchaser's rights and obligations hereunder shall be governed by and interpreted and determined in accordance with the laws of the State of New York (without regard to any conflicts of law provision that would require the application of the law of any other jurisdiction). Seller and Purchaser each submit to the jurisdiction of the courts located in the County of New York in the State of New York. Each party hereto consents to service of process by certified mail at its address listed on the signature page below.
